dated Jan 31, 2000 to Charles

Choose a topic

What is a memorable moment from your childhood?

What were your parents like?

What do you remember about the place you grew up?

How did you meet your spouse?

What are some moments that impacted your life the most?

What would you tell your family who might hear this in future generations?

What are some of your earliest memories?

What memories do you have of your oldest relatives?

Don't see a question you want to ask?
